Subject : Information under RTI Act, 2005

Sir/Madam,

Kindly find enclosed an IPO for Rs.10/- (vide No.32F 182450 towards RTI fee for the following information :-

1. The present status of Revised RTP for Assistant (Assistant Section Officers).
2. List of ASO/Assistants as furnished by various cadres to CS-I recently for the purpose.
3. ISTM is imparting Level "A" Training to UDCs for promotion as Assistants (ASO), inspite of the completion of the trainings these UDCs/Assistants are just doing diary & dispatch and are unable to do any work of dealing hands viz. Noting/drafting even typing. what is the use of such trainings?

The Expenditure incurred on level "A" Training by ISTM during last 5 years i.e. 2010-2015

4. Earlier this training was conducted for a period of 6 weeks, but to cope up with backlog it was reduced to only 12 days out of which 3-4 days are for study tour and rest 7-8 days for the training (Sat & Sunday Off). Is not an eye-wash and wastage of public funds.

What is the difference in the content of both the training courses 6 weeks duration and 12 days duration). How the course of 6 weeks is completed in 12 days training.

5. Similarly, Level "D" Training for promotion of Section Officer to Under Secretary is imparted by ISTM @ Rs.70000/- per participant is squandered on all such participants/trainees. However it is noted that even after training these officers are good for nothing many of them are involved in corruption cases/frauds/misappropriation of public funds and blindly without any conscience following their seniors as usual. There is hardly any improvement in their behaviour/skill or working even after the training. **What are the contents of the Training course for Level. "D"**

6. Trainings are meant for increasing efficiency & improvement in the quality of the output(work), but it appears that all such training are nothing but are casual & routine nature, they did not contribute to the functioning/skill of officers, as most of the official even after undergoing these trainings abroad are useless, indisciplined, unproductive and just come to office for time pass and busy in appeasing their corrupt bosses. In ISTM, it is emphasised to attend the Training timely, but even after 68 years of training, discipline and punctuality in government offices are a wild goose chase.

Contd...2

7. Similarly, NIFM (D/O Exp) is imparting training of e-procurement, as well as ISTM is also imparting training but it is a matter of shame that all officers who are involved in government purchase are involved in misappropriation of public funds and loyal to contractors, they just oblige their corrupt bosses and beauracrats and in turn they are looting the public funds. The posting in such sections are bestowed by Senior Officers (IAS) who are obliged in kinds and government machinery is provided to these IAS officers for their personal use (such as staff cr, furniture and even govt officials to serve at their resident).

Name of officers/officials who are posted in General Sections and complaint against whom have been received by Vigilance Sections of the concerned Departments in Govt. of India *by MHA. FinMin HRO, Defence.*

8. Most of the officers don't know how to write the ACRs/APARs of their subordinate. Is there any training for these officers to write just & appropriate APAR of their subordinate? The seniors are ruthless and blindly review the APAR, without caring for the merit of individual reported and reviewed, they resort to flattery, if the subordinate is appeasing them and is a friend of their taste or obliging them in any manner (even Physical relations), they are awarded "Outstanding" even if they are actually Stupid. On contrary the honest and diligent officials are generally overlooked.

9. It is a matter of shame that these Babus have no integrity and who so ever oblige them or offer woman wine or wealth they get trapped in honey traps, Petro gate is an example of such incidents that are frequent but hardly checked in the offices as these officers from lower to senior level hardly have any integrity. Last Year a woman Namely Ruby Chowhury was undergoing training at LBSNAA, Mussorrie, later on it was found that she was not an IAS and hence not eligible to undergo the training but due to his intimacy with the DD (Admn) she was given royal treatment ... it is the true colors of Indian Babus. An inquiry by SIT is set up to investigate the matter...

what action is taken against the DD of the Institute may be intimated, A report of the SIT may be made available.

10. How many IAS/Senior Officers are involved in corruption cases, details may be provided.

11. For last approximate 68 Years the Babus are not punctual and regularly irregular, inspite of Bio-Metric Attendance, many of the officials are still coming to office at their own leisure time. **what action is being taken against such timepassers.** *in 20 the Minister as referred in para 7.*

12. The total expenditure incurred on Bio-Metric Machines in all Ministries/Department of Govt and contracts awarded on AMC of these Machines. Ministry wise details may be provided. Many of these Machines are always out of order what action against the Contractors are being taken?
