Subject : Information sought under RTI Act, 2005

Sir,

Please refer to your RTI application received on 11th September 2016.

2. The response to your request is given below;

S.I No.	Question	Reply
1	What criteria has been adopted in preparation of the nomination list for foundational training.	The List has been prepared by CS Division, DoPT
2	Please provide number of candidates category wise i.e. UR, OBC, SC, ST.	The number of Candidates presently under training at various location is 353. The break-up of SC, ST, OBC and General is being collected and would be intimated in due course.
3	When will the remaining candidates of CGLE 15 be called for joining.	The next batch is tentatively starting in 1 st week of November, 2016.
4	Remaining candidates will be called only after completion of training of first batch or possible before also.	This is still being worked out.
5	While going through the list it seems that a few candidates of SC&ST categories have been nominated for first batch. What is the reason.	CS Division, DoPT can answer this.
6	On the site of ISTM the date of next batch is shown as 2 Jan 17, if remaining candidates are called for joining at that time their service will be shorter for 4 months as comparing to the same batch candidates will it not suffer those candidates in future at the time of Section Officers Examination, will their service be counted from September 16 or January 17.	The dates are only tentative and are subject to change. The other part of the information is not with ISTM.
