### CURRENT STATISTICS

### Politics of Microeconomics

The core of marginalist economics is made up of spurious ideas that advance special interests as opposed to a genuine understanding of the economic structure and dynamics. [page 17](#)

### Same-sex Marriage and CAD

Despite being historically situated for interfaith marriages, the unincorporated fundamental right to marry, discussed during the Constituent Assembly debates, is rooted in universal values that have relevance in today's discussion. [page 44](#)

### Elusive Sino-Indo Fraternity

As India seeks support from big powers outside the region, geostrategic and geopolitical factors will ensure that the rivalry between the two Asian neighbours remains long and complex. [page 13](#)

### Income Tax Cuts

The strategy of cutting revenue spending in the face of tax cuts is a strategy of growth for richer households, with the burden of consolidation thrust upon the rest. [page 22](#)

### Digitisation and Street Vending

The aspiration to transform the economic identity of street vendors from workers to entrepreneurs through e-commerce is premised on faulty assumptions that could undermine the rationale for street vending. [page 66](#)
