CURRENT STATISTICS

Intensive Dilution of Right to Vote

The historical significance of proactive measures once taken to secure enrolment and the social value attached to the vote are made irrelevant when voters are made to jump through hoops in order to enrol. [page 10](#)

Adivasi Women's Property Rights

The vulnerability that defines Adivasi existence today has made men increasingly hostile to the rightful claims of women, and the community has fallen short of finding ways to provide support to them. [page 66](#)

Jayant Lele (1935–2025)

Lele's non-linear historical method challenges Brahminical claims to epistemic sovereignty used by the votaries of Brahminism to prescribe social norms as well as devise theoretical bases to sustain these norms. [page 34](#)

US–Russia Thaw and China

Experts in China are worried that Trump's focus on repairing US–Russia relations is aimed at distancing China from Russia and carrying out the US strategy of "great power competition." [page 14](#)

Financing Energy Transition

Financial mechanisms such as global risk pooling could significantly lower the cost of financing green projects in India and accelerate the transition to renewable energy. [page 23](#)
